

Building Consent Residential Lodgement

SECTION 1: INTRODUCTION

Manukau Building Consultants Ltd [MBCL] will manage your Building Consent process from start to finish, ensuring a seamless and hassle free building consent process.

To enable MBCL staff to deliver you a high level of service, without compromising quality, please complete the attached Application [Section 2] and Project Checklist [Section 3]. Attach these to the rest of your building application documents when you lodge for your building consent.

By completing the Application and Project Checklist you will be reducing the risk of unnecessary delays as a result of not having all the information required. These delays lead to increased costs and longer lead times.

When you have completed all the documentation, and are ready to lodge your consent, please phone us on **09 272 7890** or **0800 4 A CONSENT [0800 4 2 26673]** to arrange for a lodgement appointment if needed.

OFFICE LOCATION

Manukau Building Consultants Ltd
277 Te Irirangi Drive [corner of Te Irirangi Dr & Ormiston Rd]
[We are located directly above the Coffee Club at Botany Junction]
Botany Junction

Building Consent Residential Lodgement

TERMS OF ENGAGEMENT

I hereby authorise Manukau Building Consultants Ltd [MBCL] to prepare and lodge a Building Consent, and / or PIM application(s) on my behalf.

I have read and understood and accept all terms and conditions set out in this application.

I declare that the information contained in this application and otherwise provided to MBCL is, to the best of my knowledge, true and correct. I understand that all plans, documentation and reports submitted as part of this application are required to be kept available for public record. Therefore the public may view this application once submitted.

I/we accept that we are liable for all charges, fees, development contributions, levies and other costs with respect to lodgement and processing of my / our Building Consent application, and the PIM lodgement including Manukau City Council [and Manukau Water Ltd] charges. See the guidelines at the end of this application for more information on fees and charges.

Fees are payable on demand prior to consent issue. Payment should be made by eftpos or cheque payable to Manukau City Council. Payment can be made at MBCL's office.

Code Compliance Certificate will not be issued if fees, including Development Contribution, are outstanding.

I / we agree that MBCL is entitled to disclose the plans and specifications to Manukau City Council and Manukau Water Ltd during the building consent / PIM Process

I / we declare that we are authorised by the owner to provide the information required under and to sign, this application.

The provisions of the Consumer Guarantees Act 1993 will not apply to services supplied by MBCL for the purposes of my / our business

MBCL liability [whether in contract, tort (including negligence and breach of statutory duty) or otherwise] for any loss, cost, damage or injury, however arising, is limited to an amount equal to the fees paid by the applicant / owner in respect of this application. MBCL is not liable for any consequential, indirect loss or damage, loss of business or profit or other economic loss of any kind whether arising from negligence, breach of contract or otherwise.

I / we acknowledge that MBCL provides services to Manukau City Council including processing building consent applications, undertaking inspections of property and ensuring compliance with building consent conditions. In undertaking the preparation and lodgement of this application, MBCL is deemed to be acting in its capacity as service provider to Manukau City Council.

FEES & CHARGES

Building consents are required to be collected and outstanding fees paid within 21 days of notification that the consent is available for collection. Consents are liable for cancellation after this date.

Where a building consent is cancelled, you will be charged for all costs incurred by MBCL and Manukau City Council [including for administration and processing] up to the time of cancellation plus the applicable cancellation fee.

PIM and building consent fees are set out in Manukau City Council's *Building Act and Associated Charges* document located at www.manukau.govt.nz [on the Building Consent Forms page] or available from our office.

PIM fees will comprise the non-refundable base fee with the recovery of costs on an hourly charge-out basis for applications taking more than the standard one hour processing time.

IMPORTANT TERMS

Commencement of Work

A building consent cannot be issued for any work that has been commenced / completed prior to the granting of the building consent. Carrying out building work before a consent is granted is an offence under Section 40 of the Building Act 2004 and could result in the owner and contractors being prosecuted or fined.

Other Consents

If the building work requires a Resource Consent or the consent of a network utility operator such as Manukau Water Ltd, and such consents and / or approvals have not been obtained, the building consent will be issued with a restriction that no work may commence until all these other necessary consents and / or approvals have been granted and paid for.

Check your Project Information Memorandum

The details of the PIM should always be checked closely. Should the project infringe the District Plan this will be advised in the PIM. A Resource Consent or a re-design of the building work may be necessary to resolve the infringement. However, processing of the application will not be suspended as a result of the District Plan infringement unless specifically requested by the applicant.

Building Consent Residential Lodgement

SECTION 3: RESIDENTIAL LODGEMENT CHECKLIST

Y	N/A	Pg #		MBCL
GENERAL REQUIREMENTS				
<input type="checkbox"/>	<input type="checkbox"/>		Application form completed as required and signed	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Authorisation letter provided if application is submitted on behalf of a company or trust	<input type="checkbox"/>
PROOF OF OWNERSHIP				
<input type="checkbox"/>	<input type="checkbox"/>		Certificate of Title [not older than 90 days] with flats plan provided <i>MBCL can provide if required</i>	<input type="checkbox"/>
WORKING DRAWINGS				
<input type="checkbox"/>	<input type="checkbox"/>		Three (3) full sets of working drawings that meet the following standard requirements: 1. Drawings must be produced on a minimum A3 sheet size, and named, dated and uniquely numbered 2. All drawings must meet the minimum requirements of the Technical Drawings standard AS/NZS1100 with equivalent Microsoft Word text size 10 3. Legal description [Lot & DP No] and street address indicated on plan Note: Four (4) sets of plans required if Manukau Water approval required	<input type="checkbox"/>
SITE PLAN [Scale 1:100 for urban areas or 1:20 for rural areas]				
<input type="checkbox"/>	<input type="checkbox"/>		North arrow or point indicated on the plan	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Land contours / spot levels shown at maximum 1m increments	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Site boundaries / exclusive area boundaries for cross lease properties and common areas clearly shown with bearings provided	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Existing and proposed buildings clearly defined with dimensions from boundaries [minimum 3] and other buildings	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		All existing sanitary / storm water drainage and proposed sanitary / storm water drainage [including on-site treatment systems] indicated with distances to boundaries	<input type="checkbox"/>
FOUNDATION PLAN [Scale 1:100 or 1:50]				
<input type="checkbox"/>	<input type="checkbox"/>		Pile type, pile size, embedment depth and layout with dimensions shown	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Subfloor bracing plan	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Timber treatment indicated	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Foundation bridging details shown, engineer design and PS1 provided	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Concrete floors, mesh details, slab thickening and control joints indicated or if specific design [rib raft floor] has a PS1 and design been provided	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Footing cross sections including height in relation to ground levels shown	<input type="checkbox"/>

Building Consent Residential Lodgement

FLOOR PLAN [Scale 1:100 or 1:50]				
<input type="checkbox"/>	<input type="checkbox"/>		Existing layout and use, as well as proposed layout and use, shown	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Wall bracing plan	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Stairs, handrails and decking shown	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Joist layout for all levels shown	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Finished floor levels shown	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Smoke detectors indicated on plan	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Chimneys and solid fuel heaters shown	<input type="checkbox"/>
ELEVATIONS [Scale 1:100 or 1:50]				
<input type="checkbox"/>	<input type="checkbox"/>		Elevations for each external wall provided	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Existing and finished ground levels / floor levels indicated	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Stairs, handrails and decking shown	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Retaining wall details [cut, fill, height of retained ground, waterproof membrane and drainage] and height of wall indicated	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Sub floor ventilation indicated	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		All pool fencing and elevations shown if buildings form part of fence	<input type="checkbox"/>
CROSS SECTIONS [Scale 1:100 or 1:50]				
<input type="checkbox"/>	<input type="checkbox"/>		Two sections along the length and across the width of the building provided	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Foundation details, terraces, steps, balustrades and proximity to services indicated	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Wall and roof construction shown [size, height and timber treatment]	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Finished floor levels, floor systems and roof covering indicated	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Wall / ceiling / floor cladding and insulation indicated and specifications / calculations provided	<input type="checkbox"/>
ROOF PLAN [Scale 1:100 or 1:50]				
<input type="checkbox"/>	<input type="checkbox"/>		Truss types / roof framing layout provided and roof bracing indicated	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Roof bracing plan	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Location and size of rainwater heads, scuppers, internal gutters, spouting and downpipes indicated	<input type="checkbox"/>
PLUMBING & DRAINAGE PLAN [Scale 1:100 or 1:50]				
<input type="checkbox"/>	<input type="checkbox"/>		Existing and proposed sanitary sewer and storm water drainage shown	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Existing and proposed fixtures and fittings [including location of HWC] shown	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Details of storm water / sewer disposal systems, e.g. detention tanks, pumps and effluent disposal provided	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		On-site waste water disposal report provided	<input type="checkbox"/>

Building Consent Residential Lodgement

PLUMBING & DRAINAGE PLAN [Scale 1:100 or 1:50]			
<input type="checkbox"/>	<input type="checkbox"/>		Soakage report provided and details shown on plans <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		TP58 report provided <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Plumbing schematic showing wastes, pipes and falls provided <input type="checkbox"/>
WEATHERTIGHTNESS DETAILS [Scale 1:100 or 1:50]			
<input type="checkbox"/>	<input type="checkbox"/>		E2 / AS1 risk matrix provided <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Roof / wall junctions, eaves, balustrade, parapets, junctions, penetrations, control joints and sill / head / jamb for all openings provided <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Appraisal certificates / specifications for cladding system provided <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Specifications and details for wet areas [bathroom and laundry] provided <input type="checkbox"/>
SPECIFIC DESIGN OUTSIDE THE SCOPE OF NZS3604			
<input type="checkbox"/>	<input type="checkbox"/>		Plans signed by the engineer, with name and address indicated <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Engineering calculations provided <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Producer Statements provided, fully completed and signed <input type="checkbox"/>
OTHER DOCUMENTATION			
<input type="checkbox"/>	<input type="checkbox"/>		Bracing calculations <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Soil and ground stability – assessment checklist / Geotechnical report provided <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Site contamination – assessment checklist / report provided <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Flooding and surface water – assessment checklist / report provided <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Secondhand inspection report provided for relocated buildings <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		CCTV video / CD and report provided for building over / near public sewer <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Energy efficiency report / calculations provided <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Acoustic / fire separation details <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Details of changes to be made to public infrastructure <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		All required specifications provided <input type="checkbox"/>
PLANNING INFORMATION			
<input type="checkbox"/>	<input type="checkbox"/>		Copy of approved Resource Consent with stamped plans provided <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Location, size, volume and depth of excavation for storm water management devices [rain gardens / retention / detention tanks/ shown <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Location, dimensions and gradient of carparking / manouvering / vehicle crossing shown on the plan <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		All areas of disturbed earth [e.g. excavation / fill / retaining] indicated <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		All areas of impermeable site coverage shown and calculations provided <input type="checkbox"/>

Building Consent Residential Lodgement

PLANNING INFORMATION				
<input type="checkbox"/>	<input type="checkbox"/>		Compliance with outdoor living and service court provisions shown	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Are all streams and riparian margins shown on the plan	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Are all trees protected by the District Plan [height, girth & dripline] shown	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>		Compliance with Height in Relation to Boundary Controls shown on the plan	<input type="checkbox"/>
